We apologize, sir. This must have happened because he followed us out when we were patrolling.

It must be the work of the hyenas. They're the only ones dumb enough to try to pull off something such as this around this area...

We shall leave at once and rescue our young master!

No, I shall go as well.

Pardon? But chief!

Those bastards
cannot be defeated by
just the two of you.

Leader Ten shall
follow me and Shao shall
stay behind and alert the
other members. Do not let
your guard down.

The master...
He's... my son?

Wait...
You're... dead
man? If... our last
day is... here, then
...?

But... you... until
the day end...

DAD!!!

!!

**YOUNG
MASTER
SALAM!!**

5K Dadadada

EEEEEE

**GALAHAD!!
YOU'RE SAFE! JUST
WHAT HAPPENED TO
YOU?**

Those hyenas tried
to get me!

That's why I
told you not to go
out by yourself!

Sax: Jump

My son, are you
hurt anywhere?

Ouch! Dad!
It stings! I think
I'm gonna get hurt
because of you!

Six: Pointy Pointy

Oh, sorry about that.
I'm just glad you're back, safe
and sound.

Those hyenas
should have been tough,
so how were you able to
escape?

That man over
there saved me.

He was amazing!
He blasted off those
hyenas with just one
swipe! So I made him my
bodyguard. I did
great, right?

Wow, really?
That's amazing.

Wow, I'm amazed.
I never thought there
would be a place like this
under the desert.

Tell me about
it. I thought water
peddlers were just
nomads because they
don't usually stay in
the village.

Ah, thank you so
much. How should I
repay you...

SF: Look Look

His vibe has changed
but I'm sure of it!

THE
TWO
MUTHAS FOR SA
ALWAYS!

Story/ Art: JinHeeChae

Background: Won Jin Gil

Coloring Assistant: HyunJung Shin

Well, he...
He changed a lot.

Did he follow him there
to get him to change?
Know him long enough?

It's if he was
the one who would've
affected me as much as
he grew up.

He changed a lot.

What do you wish to have?

.....

Shin Gira

Hand it over.

H-hand you what?

*What? Hah...
you're having second
thoughts after I scared
him?*

*What's with the
change of heart? I'm
offended.*

Well, repaying me is another thing, but...

I'm sure there's something else other than that??

Damn, he tricked me! To get tricked by something as shallow as this, I must have been run out of it!

I have to call Thing at once...

YOU TWO!

You guys were the ones observing us last night, right? Tell me the truth because I know everything.

Is that's...!

You've got it wrong! We were just patrolling areas near our home!

What's wrong,
Sei Hepp? That can't
be true. Peyote cacti are
commonly found around
this area..

Uh-huh. Well, that's
not going to work! You
guys are the ones who
planted the peyote cacti,
right? Just what are you
guys hiding?

That's why it's
strange. This area has
the most cacti.

And the only
source of hydration
around this area was
just that peyote. It's as if
it was begging to be
eaten.

What do you
mean we're hiding
something? We're just
living in peace while
selling water.

What's the
Secret... Is it's
part of peyote?
Or have you really
lost your memory?

... Forget. If you
don't tell me what
it is.

We will give you what
is due to you for saving my
son, so please return to
your village.

Oh? So this is how you'll play, huh

You guys are water peddlers, right? As far as I know, you guys have monopolized the selling of water to several other villages.

So just how are you guys able to pull it off? And why are you guys living in this wet and dark place despite all the money you've earned?

Stop it, So Heel! That's just being rude!

I'm just stating a fact here. With the money earned by selling water at such a high price, you guys should have gotten enough money for the whole tribe to be living in luxury by now...

If my guess is correct, they're responsible for the power of water. And it must be closely related to that 'hybrid group'.

Go ahead and enlighten me.

...For him
to ask questions
like these, he must
have really lost his
memory.

I don't know
what happened,
but that's good
news for us.

All right, we can't
tell the reason from
by their

There is nothing
strange about it. The
reason why we're living
here is because of our
physical condition.

And as for
the source of water...
I can't tell you something
which the very livelihood
of our tribe depends on
even if you are my son's
savior.

BA-AM!!

!!!!!!

WH-WHAT IS THE
MEANING OF THIS!!

Sfx: Smoket x2

23

MYED YOUR
MANN ASS!

24

Sfx: Steam-

.....

Oy, lizard guy. I have
to know it. Don't even
think of tying and spill
the beans.

Just what are you scheming
in this diabolical place...

.....

So then, he became a
totally different person after losing
his memory

Let's
try to find
something
related to
his memory

I guess it can't be
helped. Follow me.

Six: Rise

JARY

Are you
really going to
show... you shouldn't,
sir!

Hmph, I just
have to show you
some violence and
you listen!

Well, you
guys are better
than the Hyenae at
the very least.

Sa Hwan, what are
you going to do?!

What if they
lock us in prison or
something?!

Is that
even a question?
Then I'll just have to
show them the hot
stuff.

Chief, are you really planning to
show it to them?!

...Yes.

They are not
the type to leave
if I just beat around
the bush.

And if he ever put
his mind to it, he could
easily put the whole tribe in
danger... Even I can't handle
his strength.

Of course, I don't
know if that's still true
now that he's lost his
memory.

THEN WHAT...

I'll wait for him
as long as possible, do
proper 'thing' as fast
as you can.

YES, SIR!

I must keep together!

Worst case scenario,
please me!

The last day of our
existence!!

I was amazed the first time we came here, but this is even more amazing.

For an underground cave such as this to exist in the middle of a desert...

Looking at the materials used and the structure of the cave, I'm guessing it was built before the desertification.

...Perhaps it was built to be used as an escape path during the 'great war'.

Sfx: Gurgling Gurgles

くぐくぐくぐ ---

.....

You see that big pipe over there?

Yes... I think I can even hear water inside.

Yup. There's water running through that pipe. I bet it's connected to the village.

Well, that explains how the water peddlers managed to bring

such an enormous amount of water to the village.

I guess you weren't lying about being a detective.

This place, created by our ancestors, is a treasure which has been protected for generations and has been our source of life.

As a form of gratitude for saving my son, I am allowing you to 'use' it.

But if you inform the others about this place or have a hidden intention... I will not let you get away with it.

번뜩임

Sfx: Glare

.....

The day
it comes, family,
Haven't you been
before?

adventure and
[adventure] [adventure]
[adventure] [adventure]

Here we are.
It's very slippery
from this point on,
so watch your
steps.

!

Six: Trudge Trudge

It's inside
that room. The
answer to the tower
of water... or...

The 'Thing' that
they've been whispering
about to each other.

Step

Whichever it is, I
don't care. I'm getting
closer to the 'truth'
nonetheless.

Step

Six: Step Step

I keep repeating myself,
but the things you've seen here
must stay here.

Our tribe's very lives
depend on it.

Or not.

Just what is in...

Six: Stop

!!!!!!!!!!!!

THIS, THIS IS...?!

Wh-what
the... Just
what is...

It's too
early to be
surprised
just yet.

Tien, Shao, activate it.

Yes, sir!
